Career Objective

Final year B.Tech IT student driven by problem-solving and building real-world, scalable applications. Passionate about software development and backend engineering, with a strong ownership mindset.

Education

Jaipur Engineering College and Research Centre
B.Tech – Information Technology | CGPA: 8.45

Jaipur, Rajasthan
2023 – 2027

Internship

Full Stack Web Development Training – Upflairs

July 2025 – September 2025

- Developed responsive full-stack web applications using modern front-end and backend technologies.
- Implemented backend business logic and database integration using Node.js, Express.js, & MongoDB.
- Worked on CRUD operations, APIs, and the complete application development lifecycle.

Technical Skills

Programming Languages: C, C++

Core CS: Data Structures & Algorithms, DBMS, OOPs, Operating Systems, Computer Networks

Web Technologies: HTML, CSS, JavaScript, React.js, Node.js, Express.js

Databases: MongoDB, SQL, MySQL

Tools & Technologies: Git, GitHub, REST APIs, JWT, Linux

Projects

Placement Tracker | [GitHub](#)

Tech Stack: React.js, Node.js, Express.js, MongoDB, JWT, REST APIs, Git

- Developed a full-stack placement management platform to streamline campus recruitment for students and administrators.
- Implemented secure JWT authentication and built modules for company listings, job postings, and real-time application tracking.
- Built an admin dashboard for managing students, companies, job postings, and applications with role-based access control.

EduSafe-360 | [GitHub](#)

Tech Stack: Node.js, Express.js, MongoDB, REST APIs, Git

- Developed a full-stack disaster management platform with REST APIs for resource allocation and emergency reporting.
- Built responsive interfaces and optimized backend database queries for improved performance.
- Used Git and GitHub for version control and project management.

Achievements

- Qualified in Smart India Hackathon (SIH) preliminary round conducted at the college level.
- Solved 300+ DSA problems on various platforms such as LeetCode, GeeksforGeeks, and CodeStudio.

Extra-Curricular Activities

- Volunteer – National Service Scheme (NSS): Contributed to community service and social welfare activities, developing teamwork, communication, and leadership skills.
