LinkedIn: [linkedin.com/in/kamal-lohar-a040a3314](https://www.linkedin.com/in/kamal-lohar-a040a3314) | **LeetCode:** leetcode.com/u/KL_LOHAR

PROFESSIONAL SUMMARY

Aspiring Data Analyst with strong foundation in SQL, Data Analysis, and Power BI, along with experience in full stack development. Skilled in data cleaning, visualization, and extracting actionable insights from structured data. Proficient in DSA, DBMS, and building real-world applications. Seeking internship opportunities to apply analytical and problem-solving skills in data-driven environments.

EDUCATION

Bachelor of Technology – Computer Science and Engineering

Jaipur Engineering College and Research Centre, Jaipur | 2023 – Present (Currently in 6th Sem.)

INTERNSHIP / TRAINING

Full Stack Web Development Training | July 2025 – September 2025

- Built responsive web applications using modern frontend technologies.
 - Developed backend logic and database connectivity using Node.js and MongoDB.
 - Worked on real-world style development tasks including CRUD and full application lifecycle.
-

TECHNICAL SKILLS

- **Data Analytics:** SQL (Joins, Aggregations, Group By), Data Analysis, Data Cleaning
 - **Visualization Tools:** Power BI (Dashboards, Charts, KPIs)
 - **Programming:** C, C++, Python
 - **Web Development:** HTML, CSS, JavaScript, Node.js, Express.js
 - **Databases:** MongoDB, MySQL
 - **Tools:** Git, GitHub, REST APIs
 - **Core Concepts:** DSA, DBMS, OOPs
-

PROJECTS

Sales Data Analysis Dashboard (Power BI)

- Created interactive dashboard to analyse sales trends and performance
- Used charts, filters, and KPIs for better decision-making
- Performed data cleaning and transformation
- Derived insights to identify top-performing categories
- Improved data understanding by visualizing key business metrics and trends

Disaster Management Web Application

- **Tech Stack:** HTML, CSS, JavaScript, Node.js, MongoDB
 - Developed a full-stack platform for disaster alerts and resource tracking
 - Implemented RESTful APIs and database operations
 - Designed responsive UI for accessibility
 - Optimized backend and database operations to improve response time
-

CERTIFICATIONS

- Full Stack Web Development Certification
 - NPTEL/SWAYAM – Introduction to Machine Learning
-
